Give your career a lift!

Position: Service Foreman

Location: Lewiston, ID

Starting Wage: Competitive wages, dependent on prior experience

Do you have experience servicing forklifts, construction equipment, or other industrial equipment? Do you currently live in (or would be willing to relocate to) the Lewiston, ID area?

Norlift has an immediate opening for a service foreman for the Lewiston area. This would be a mobile position, responsible for servicing equipment and building customer relationships in Lewiston and outlying areas.

You'll be repairing and maintaining a wide variety of equipment, from forklifts to utility vehicles, skid steers to excavators. This is a full time hourly position with benefits!

Norlift has a long reputation for high quality service and treating our customers with integrity. The key to that success has been our team of top quality technicians. We place a high priority on treating our employees with respect, like the critical team members they are - and it's resulted in one of the lowest turnover rates in our industry. Come see why Norlift is one of the best places to work in the Inland Northwest. We're going places, and we want people like you on the team!

Benefits:

- Full time hourly position
- Paid time off within the first year
- Medical, dental, and vision coverage
- 401k program with employer match
- Healthy work environment with a great team
- Long term career opportunities

Requirements:

- High school diploma (or equivalent)
- Clean driving record; able to pass background check and drug screening
- 6+ years forklift and/or industrial equipment repair experience
- Experience with hydraulics and pneumatics
- Customer service driven work ethic
- Excellent communicator, verbal and written

To apply, email resume with work history and cover letter to careers@norlift.com

Norlift fills a critical role in our community - our products ensure that local businesses can store, move, and sell their products quickly, safely, and with prices as low as possible. We don't sell the cheap stuff here. We sell material handling products designed for the toughest jobs, because when our customers need a problem solved, we want to solve it the first time. We've been here for nearly 50 years, and we're excited about the future. Come see why Norlift is one of the best places to work in the Inland Northwest!
